THEIR FIRST GAME.

The Regulars and All Sorts played Seven Innings Saturday Afternoon, and it was Easy Money for the Regulars.

The Nailers played their first game Saturday afternoon, and the contest was witnessed by a hundred or more of the fans, who are now more than ever impressed with the belief that Lytle has a winning team. The Regulars had an easy contract to perform in defeating the All Sorts. In the latter team the only professionals playing were Hunt, Cummings and Lytle. The Regulars put up a corking good game, only one error marred their record. Crabbill was in the box and only six hits were batted off his delivery. Cummings started to pitch for the All Sorts, but at the end of the fourth he went to center field, O'Hare, an amateur, taking his place, whereupon the Regulars made seven runs in the fifth inning. This, however, was not due to poor work by the youngsters—he received miserable support from both the infield and outfield. The only redeeming feature of the work of the picked team was the batting of Hastings (a brother of Charley Hastings), who made a single and a two-bagger in twice at bat. For the Regulars, Niles led the hitting with three safe ones. Dobbs and Durrett got two each, one of the former's a scratch homer. The score in detail:

Ayer's

the sarsaparilla which made sarsaparilla famous

derful aggregation that represented Pittsburgh in the year of the Brotherhood strike, 1890.

Mahaffey is expected to report to-day. He comes from Buchtel, Ohio.

Whissen, the Wheeling ball player, has signed with Fort Wayne, and to say that he has already distinguished himself is putting it not at all strongly. He arrived in Fort Wayne Saturday at noon, went in in the afternoon and let down the strong Buffalo team of the Western league with three hits. Buffalo scored two runs in the first inning, and not another. Only one hit was made after the first inning. Fort Wayne won, 6 to 2.

Canton plays here Thursday. The Ohio town is said to have a very strong semi-professional team this spring.

The project to play the Sunday games at Massillon is being looked into seriously, and if the grounds can be secured and there is no trouble in playing Sunday ball there, the scheme will be a go. There is also another scheme for playing Sunday games at a park within half an hour of this city.

BOXING.

It is not generally known that Oscar Gardner is a good wrestler, but his New York backer, Paddy Sullivan, stands willing to wager a large sum that Oscar can defeat any wrestler at his weight.

Of additional interest is Sullivan's announcement, not made public yet so far as is known, that he will back Gardner for \$2,500 against Kid Lavigne. If the latter will agree to weigh in at 133 pounds or less. This is certainly going it strong, but Sullivan goes on the assumption that Oscar can whip any man who comes at him hard, and Lavigne goes at his man rip-and-tear from the start.

One week from to-night Jack McClelland and Eddie Gardner clash, and believing both men have improved since a year ago, when Eddie was bested by the clever Pittsburgher in nineteen rounds, there is considerable speculation as to which will be the winner, and those with money to wager are doing some talk thinking. One thing is certain, and that is that Eddie's reputation locally depends on his good showing, and if he doesn't win it won't be because he won't let himself out to the limit.

During the summer months, the Metropolitan clubhouse will undergo repairs. A press box at the ringside is contemplated, and the move will be appreciated by the scribes.

GRAY HAIR.
Some people do a whole lot of worrying when a few gray hairs make their appearance. They pick them out carefully, use all sorts of hair tonics, and in other ways try to hide the ravages of time. If they would pay as much attention to the stomach as they do to the hair, they would show better judgment. They would get at the starting point of the things that make people look old. If the stomach works well, the blood will naturally be pure. With pure blood running in the veins, its owner cannot be sick. He won't be nervous either, and his food will agree with him. His lungs will be strong, and there will be no chance for consumption to get a footing. His head will be clear, and there will be no reason to have Dr. Pierce's Golden Medical Discovery is the medicine that induces good health. It strengthens the stomach when weak, purifies the blood, tones up the nerves, strengthens the lungs, and cures all diseases that, if neglected or badly treated, end in consumption. It is a temperance medicine—no alcohol or whisky in it. Its protracted use does not create a craving for intoxicants. If afflicted, better write about your case to Dr. R. V. Pierce, at Buffalo, N. Y. He charges no fee for consultation by mail.

"I will forever thank you for advising me to take Dr. Pierce's Golden Medical Discovery," writes Mrs. J. C. Murphy, of Peabody, Mass., U. S. A. "I had been afflicted with chronic constipation of twelve years' standing. I had doctored for years, but I was completely discouraged. I then had chronic diarrhoea for twelve years. I am in good health now—better than I ever was in my life, owing to Dr. Pierce's Golden Medical Discovery. I took several bottles of the 'Discovery' before I stopped."

Take Dr. Pierce's Pellets if you want to be permanently cured of constipation.
